

# Copper Cabling Solutions

## Keystone Outlet Box

An attractive surface mount housing for one or two keystone outlets. The slick, compact design measuring 560 x 560 x 260mm; can be used for a multitude of applications requiring surface mounted network outlets, including P.O.S, Wireless Access Points, Smart TV Cabling, Home and Small Office wiring. The keystone fitting allows for the use of standard Cat 5e or Cat 6 outlets. White keystones are available to match the outlets. The Connectix Keystone Outlet Box is supplied with one port blanked off, ready for single port applications. The blank can be easily removed if both ports are required which creates a low cost, highly durable product, for a quick installation turnaround.
