Unloaded versions also available

The range of Fibrefox 19" Rack Mount Patch Panels are available in 1u, 2u and 3u sizes with a wide range of adaptor types and populations. The panels are manufactured from mild steel and are finished in a black powder coating (other colours on request).

The patch panels feature adjustable mounting brackets, numbered adaptor ports, and a range of rear panel knock-outs to suit all common cable gland sizes.

Panels are supplied fully loaded and complete with splice management. Unloaded panels are also available upon request.

Patch Panel Options

1U LC	2, 4, 6, 8, 12, 16 and 24 way
1U SC	2, 4, 6, 8, 12, 16 and 24 way
2U SC	48 way
1U ST	4, 8, 12, 16, 24 and 32 way
2U ST	48 way

Custom Design Services

Connectix offer a custom design service for any cable management product outside our standard range. We can produce any enclosure to your individual requirements or specification within a short lead time.
